Foreword

The school recognises the essential part educational visits play in enhancing learning and educational provision for all our learners.

It is the role of school staff to plan visits across the academic year to complement the curriculum and enrich learning experiences.

All trips will be planned in advance and risk assessments will be written by a member of staff who is taking the lead role. Risk assessments will be submitted via the online 'Evolve' system at least 2 weeks prior to the trip departure.

Summary of policy

This school/establishment follows the LA procedures for educational visit planning, approval and monitoring by using the EVOLVE on line visit planning and approval system www.cardiffvisits.org for all visits run by school/establishment staff or volunteers.

Staff planning an educational visit must ensure that they plan their visit using the EVOLVE system www.cardiffvisits.org and follow the procedures set out in this policy.

This policy is reviewed (and updated as necessary) annually or following any accident / incident on an educational visit.

Queries relating to this policy should be directed to Miss Broughton, Educational Visits Coordinator (EVC).

CITY AND COUNTY OF CARDIFF Schools & Lifelong Learning Service

Planning and approval procedures for Educational Visits

This document sets out the Cardiff County Council planning and approval procedures for Educational visits.

Anyone organising an off-site visit for young people from Cardiff County Council should also refer as necessary to the National Guidance for Educational Visits endorsed by the Welsh Government. The Guidance can be viewed in the 'Guidance and resources/guidance' section of Evolve www.cardiffvisits.org

Foreword

The Schools and Lifelong Learning Service welcomes the move to an all-Wales approach to the organisation of educational visits.

There is evidence that traditional "*school trips*" went into decline around the start of the last decade. The most recent research, however, indicates that they are as popular as ever and are an integral part of the curriculum in all our schools.

When, as adults, we look back on our formative years, the most vivid memory we have of our school days is often that of a residential experience spent in the company of friends. Such is the impact of the experience that it remains with us for the rest of our lives.

The introduction of our Foundation Phase in Wales means that increasing numbers of children spend time outside the classroom, not only in constructive play, but also witnessing with awe and wonder the natural world. Other key stages of the curriculum are also undergoing change, requiring young people to experience activities away from the school. Our new procedures are designed to assist all those who are charged with delivery at this exciting time.

As a Council we recognise the vital role that teachers, youth leaders and others play in providing children and young people with these life-enhancing experiences. For my part I would like to take this opportunity to thank all those who dedicate so much of their time to this valuable work.

Chief Officer Schools and Lifelong Learning

Summary of procedures

This document sets out the procedures by which Cardiff County Council and its educational establishments meet the standards set out in the *National Guidance for Educational Visits* endorsed by the Welsh Government.

EVC queries relating to these procedures should be directed to the appropriate officer as follows:

Table 1 - Visit approval/notification required for different types of visit

Important note - LA approval is **not** required for:

- Visits to, or run by, the LA's own Outdoor Education Centres (The Storey Arms OEC, Cardiff Sailing Centre, Cardiff White Water Centre, Learning Outdoors, Cardiff Outdoor Activity Team, The Harbour Authority and the Flatholme Project).
- Outdoor Education Advisers' Panel (OEAP) Outdoor Learning Card activities run in non-demanding environments by teachers / youth workers / other employees who have attended an OEAP Outdoor Learning Card training course.

	Approval/notification required
<ul style="list-style-type: none"> • residential • visits abroad • demanding environments (see Table 2) • adventure activities (see table 3) 	Visit planned and approved using the EVOLVE system www.cardiffvisits.org at least 28 days before visit.
Overseas expedition organised through an independent provider (<i>i.e. expedition to a developing country involving trekking or other adventure activities</i>)	Visit planned and approved using the EVOLVE system www.cardiffvisits.org before booking the visit. LA Approval is in two stages: <ul style="list-style-type: none"> ○ Initial approval before booking ○ Final approval at least 8 weeks before the visit

Table 2. Definition of demanding environments.

Important note: classification of locations is subjective. Visit leaders who are unsure of whether or not a location requires LA approval can seek clarification from their Educational Visits Coordinator (EVC).

Location	Definition	Level of approval required
Normal countryside	<p>Areas;</p> <ul style="list-style-type: none"> • which are close to vehicle access (i.e. less than 30 minutes walking time for any group member to the nearest road from which the group could be evacuated by vehicle) and • where the environment does not have any of the features of a 'demanding environment' listed below. 	Visits here do not require LA approval
Demanding environments	<p>Areas where there is significant risk to the group from one or more of the following factors;</p> <ul style="list-style-type: none"> • hazardous terrain (e.g. cliffs, very steep slopes etc.); • remoteness (i.e. more than 30 minutes walking time from the nearest normal vehicle access point from which the group could be evacuated); • difficult escape (i.e. places where the group could be trapped and/or where they would need specialist help to escape); • exposure to severe weather (i.e. open to the weather and no easily accessible shelter within 30 minutes walking time for any of the group); • open areas without clear boundaries where the group might stray into hazardous or remote terrain in poor visibility; • fast flowing water, deep water, or water with strong currents (including tidal flow) where: <ul style="list-style-type: none"> <input type="checkbox"/> the group will be close to the water and there is a significant risk of someone falling in; <input type="checkbox"/> the group will be entering the water. 	Visits here do require LA approval (except activities run by the LA's Outdoor Education Centres – The Storey Arms OEC, Cardiff White Water Centre, Cardiff Sailing Centre, Learning Outdoors, Cardiff Outdoor Activity Team, The Harbour Authority and Flatholm Project.

Table 3. Adventure activities

Important note: This list is not exhaustive. Any visit leader unsure of whether or not an activity should be classified as an adventure activity should seek the advice of their Educational Visits Coordinator (EVC).

Land Based Activities	Water Based Activities
Rock climbing/abseiling including climbing walls	Kayaking and canoeing
Mountaineering	Sailing and windsurfing
Hill walking	White water rafting
Ice climbing	Waterskiing
Gorge or coastal scrambling/sea cliff traversing/coasteering	Snorkel and aqualung diving
Underground exploration – cave or mine	All forms of boating (excluding commercial transport)
Skiing (snow/dry slope)	Improvised rafting
Air activities (except commercial flights)	Kite surfing
Horse riding and pony trekking	Surfing and body boarding
High ropes courses	Dragon boating
Quad biking/ATV's	Wave skiing
Orienteering	Jet skiing/personal water craft
Mountain biking	
Any activity (including camping, fieldwork and non-adventure activities) taking place in demanding environments as defined in Table 2 above	

1 Approval and notification system for all visits

All visits must be approved by the Head or EVC and a record of the visit kept as set out in 'Record keeping' section of this policy.

Schools/establishments can determine their own planning and approval requirements but are strongly advised to use the EVOLVE system www.cardiffvisits.org

This system guides the visit leader through the visit planning and approval system required by the Local Authority (in line with WG guidance).

The EVOLVE system allows regular, repeated visits to be planned and approved (see 2 below).

2 Blanket approval

Blanket approval may be given:

- by Heads/EVCs for routine visits
- by the LA for those staff who have gained LA leader approval (see 3 below)

For visits that have been given blanket approval, the visit leader and EVC must ensure that relevant information is left with the school/establishment emergency contact including details of the venue, activity, group, transport, start/finish times and other relevant information for **each** visit.

3 Parent/carers consent

Informed parent/carers consent must be obtained for all visits. For routine visits (those listed on form 1), blanket consent is obtained on admission to the school.

For non-routine visits (not listed on form 1) consent is obtained for each visit (or series of repeated visits) using form 2.

If parents/carers withhold their consent absolutely the young person must not be taken on the visit but the curricular aims of the visit should be delivered to the young person in some other way wherever possible. If the parents/carers give a conditional consent the Head will need to consider whether the young person may be taken on the visit or not.

4 Using an independent provider – pre-booking checks

For **any** off-site visit, the visit leader should check that the location and activities offered are educationally suitable for the group and will meet the aims of the visit. Check that any provider offers good value for money by comparing with other similar providers. Remember that there is no substitute for firsthand, up to date information. This level of pre-booking check is sufficient for visitor attractions and public access venues such as zoos, historical/cultural sites, museums, sports stadia, theatres, cinemas, hotels, bowling alleys, ice rinks, theme parks, public access (lifeguarded) swimming pools or similar. This level of check is also sufficient for the Local Authority's own Outdoor Education Centres.

When using a specialist venue or activity provider e.g. outdoor activity provider (other than the LA's own Outdoor Education Centres), farm visit or similar please apply the following guidance **before signing any booking form or contract**:

Ask the provider to complete the independent providers' questionnaire (which can be downloaded from the EVOLVE system's Guidance and Resources/Forms section www.cardiffvisits.org) and check that this has been satisfactorily completed by the provider **before you book**. This requires them to confirm that they have risk assessments in place for all activities/services that they provide and that these are available to view at the premises on request. **Please note that there is no need to obtain copies of the provider's risk assessments.** Seek specialist advice on any concerns arising from the provider's responses by contacting your LA Outdoor Education Adviser.

Special arrangements for Overseas expeditions (*i.e. expeditions to developing countries involving trekking or other adventure activities*)

Initial LA approval must be obtained before booking. Initial LA approval can be sought by completing and sending form OE1 (along with attachments listed on Form OE1) to the Outdoor Education Adviser at the address listed on Form OE1. Form OE1 can be downloaded from the EVOLVE system's Guidance and Resources/Forms section www.cardiffvisits.org Final LA approval for the expedition must be obtained at least 8 weeks before the expedition start date by completing and sending form OE2, along with attachments listed on Form OE2, to the Outdoor Education Adviser.

5 Local Authority (LA) leader approval

Who needs LA leader approval?

LA or school employees or volunteers who wish to lead in any of the demanding environments or adventurous activities for which LA approval is required must first be confirmed as technically competent to lead by the Outdoor Education Adviser.

Prospective leaders must seek LA leader approval through their own Evolve log-in via the '**My details/awards**' section. In order to be granted approval the applicant must have all of the following:

- **Either** a) the relevant National Governing Body (NGB) leadership award for the terrain/activity (NGB leadership awards are set out in the *National Guidance for Educational Visits* www.wales.gov.uk/healthandsafety or b) have a written and signed statement of competence by an appropriate technical adviser verifying that the leader has the relevant technical and group management skills for the terrain/activity (see below for how to arrange technical adviser approval).
- Recent and relevant experience
- A current first aid certificate or qualification
- Support of the Head

[To arrange technical adviser approval the EVC must identify an appropriate technical adviser who is willing to make a signed statement of competence for the visit leader. Technical adviser approval is normally given only if the following conditions are met:

- The leader has completed a training course in the relevant NGB leadership award where one exists (or has undergone other appropriate training)
- The technical adviser has made a practical assessment of the leader and can confirm that they are operating at the standard of the relevant NGB leadership award or at a suitable level for a site-specific approval to be given.

Appropriate levels of technical adviser for different activities and levels of activity are given in the *National Guidance for Educational Visits*. If the intended activity is not listed in Annex 3, the Outdoor Education Adviser may be able to advise on appropriate level of technical adviser.]

Depending on depth of experience and technical skill, leaders may be given approval to lead either:

- the activity/activities at specific, named venue(s) at any time for the duration of the approval period;

or:

- the activity/activities at all venues that are within the remit of their competence at any time for the duration of the approval period.

The Outdoor Education Adviser will notify the individual and their EVC of their LA leader approval decision and this will be recorded in the individual's '**My details**' section of the EVOLVE system. This can be viewed at any time by the individual, their EVC or Head.

6 LA approval decisions for visits

Confirmation of the approval decision for a visit will be given via the EVOLVE system. **Visits that require LA approval must not proceed until this approval has been given.**

Where further information or elements of the *National Guidance for Educational Visits* have not

been met, approval will be withheld until these conditions are met. Confirmation of this decision will be sent to the EVC/Head via the EVOLVE system.

7 Record keeping

The EVOLVE system acts as a record for any visit planned and approved on the system. Schools/establishments therefore only need to retain the following details for any particular visit:

- List of participants
- Parental consent forms (these can be destroyed 3 months after the visit if no accidents or incidents have been reported)
- Where an accident or incident has been reported the school/establishment should retain the parental consent form for the pupil(s)/young person(s) involved.
- If there has been an accident/incident on a visit, schools/establishments must ensure that the LA is notified according to LA procedures. The LA will keep accident/incident records until the young person reaches age 21 (or for 3 years in the case of an adult). Schools/establishments therefore do not need to retain records of accident/incidents reported to the LA unless they wish to do so for their own purposes. If a visit leader or school/ establishment receives notification of a claim they should not respond directly but should pass the details to the LA claims manager/insurance section.

In addition, schools/establishments should archive in the school/ establishment records a copy of their:

- Educational visits policy – dated so that the version current at the time of any visit can be traced;
- standard risk management procedures dated as current at the time of the visit;
- records of staff competence and training (perhaps as part of the appraisal/performance management records).

This information should be kept for 5 years after which it may be destroyed.

8 Monitoring

Internal monitoring by the Head/EVC

The Head/EVC must monitor visit leaders from time to time to ensure compliance with school/establishment policy.

Monitoring by the Head/EVC should include:

- scrutiny of standards of visit planning and organisation as part of the visit approval process
- occasional observation of visit leadership

Following any observation of visit leadership it is good practice to provide the visit leader with verbal and written feedback and recommendations for further training if necessary. A copy of the observation report should be given to the visit leader and another copy kept on file by the school/establishment.

Monitoring by the LA

The LA will monitor schools/establishments on a 5 year cycle to ensure compliance with LA guidance. The LA will contact EVCs to notify them of an upcoming monitoring visit.

9 **Review**

Feedback from monitoring will be used to review procedures in order to ensure that they meet the standards expected for off site visit organisation and leadership and to identify further training needs for visit leaders and/or EVCs.
