

HOW CAN YOU HELP?

The PTFA is all about creating a community between your child's school and you, parents, governors, guardians, grandparents and all. But we also raise much needed funds that go towards many wonderful things that your children enjoy.

Ways that you can help:

Volunteering at events

Helping to organize events

Attending meetings when you can

Whether it be one half an hour in your child's entire school career, or regularly giving your time, we need you!

WE NEED YOU!

**If you are able to help,
please contact us:**
