

zero

Around and round and round we go,
When we get home we have a zero.

one

Start at the top and down we run,
That's the way we make a one.

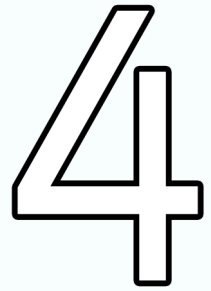

two

Around and back on a railroad track,
Two, two, two.

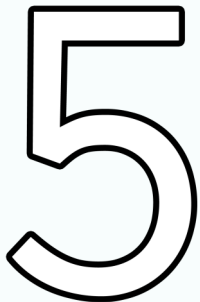

three

Around the tree and around the tree,
That's the way we make a three.

four

Down and across and down some more,
That's the way we make a four.

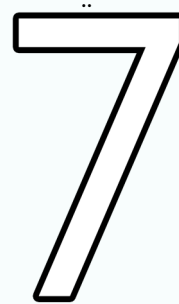

five

Down and around and a flag on high,
That's the way we make a five.

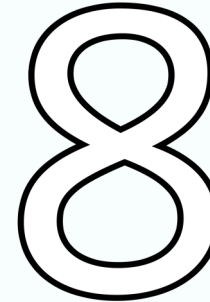

six

Down we go and make a loop,
Number six makes a hoop.

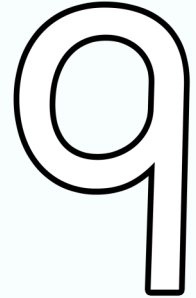

seven

Across the sky and down from heaven,
That's the way we make a seven.

eight

Make a 's' and do not wait,
When it's joined up you have an eight.

nine

Make a loop and then a line,
That's how you make a number nine.
