

# Snakes and Ladders Addition and Subtraction within 10

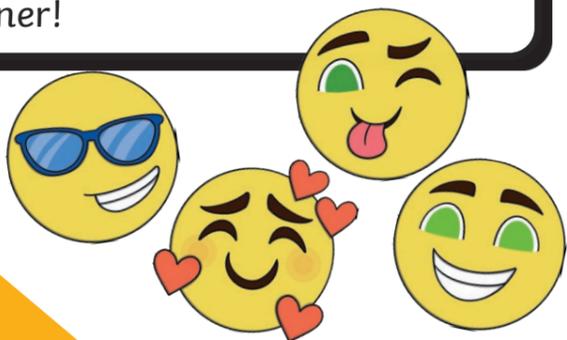

## You will need:

- dice
- 1 counter per player

## How to play:

- 1 Players take it in turns to roll the dice.
- 2 Each player moves their counter the number of spaces shown on the dice. If they land on a snake's head, they slide down to its tail. If they land at the bottom of a ladder, they go to the top of it.
- 3 Then, the player must answer the calculation they have landed on.
- 4 If the answer given to the calculation is correct, play continues as usual.
- 5 If the answer given to the calculation is incorrect, the player misses their next turn.
- 6 The first player to reach the finish is the winner!

<b>Finish</b> 100	99	98	97	96	95	94	93	92	91
